Under the auspices of the civic department of the Woman's club, the second of a series of flower shows will be held in the old town house Friday and Saturday. The exhibit will open Friday afternoon and continue until Saturday evening, ending with an auction of flowers at 9 p. m. Roses will have the call in the second show, although flowers of all other varieties are solicited and the bigger the showing the better the exhibit. People who plan to exhibit are asked to have their flowers at the showroom Friday morning. If they are unable to deliver them, they will confer a favor on the committee by having them gathered and ready when called for. Patrons of the civic flower shows and others should bear in mind the fact that the proceeds are to be devoted wholly to the fund for the maintenance of a district nurse. Some difficulty is being experienced in financing the excellent work which the district nurse is doing, and as it is wholly deserving of support, the committee hopes that a large number of people will patronize the exhibit.

MONTPELIER

Mrs. Adelia F. Cary Died Sunday Afternoon at the Age of 85.

Mrs. Adelia F. Cary died at Heaton hospital about 3:30 o'clock Sunday afternoon, following five weeks' illness, which developed after she broke one hip by a fall. She is survived by her brother, George Nickerson of Oklahoma. Mrs. Cary was a native of East Hampden, Maine, where the body was taken to-day for funeral and burial. She was 85 years of age. Her husband died some years since. They brought up Mrs. F. W. Mitchell, wife of Mayor Mitchell, so that Mrs. Cary for many years has lived with Mayor and Mrs. Mitchell, the latter of whom was a niece.

The northbound morning express did not arrive here until about 6:40 o'clock to-day, some three hours late, because of a derailment of an engine at Randolph when the train was taking the siding to meet the southbound night train. Several of the soldiers from Burlington, who were here, had to get automobiles to carry them to Burlington.

An automobile owned by a man named Platt of Lebanon, N. H., was ditched near East Bethel last night, according to persons coming here. One child received an injured wrist. It appears that the front axle broke and the driver lost control of the car, which threw the people out and then went over an embankment, stopping on its front end. There were six in the machine.

A country club near New York City, died during the day. He was 56 years of age. He leaves three sons, one of whom is in France, and two daughters, besides his brother, Chief Connolly, an actor, Mrs. Ann Brady of New York. The body will be brought to Beverly, Mass., for funeral and burial.

William G. Barrett, son of Dr. E. C. Barrett, has returned from a month spent in the officers' training school at Plattsburg, N. Y. He was among those recommended for the next two months' school, but in view of the fact that he is only 20 years of age and, therefore, could not get a commission, he will not take the two months' training. He has enjoyed a year of it and Norway and can qualify as a sergeant, but owing to age cannot qualify as a lieutenant. He may enlist with permission of his parents in the regular army.

Frank Sibley made the following comment relative to Lee Emery of Burlington, who is the only member of the ammunition train in the 26th division in France who has been awarded the croix de guerre for bravery, and of whom Maj. Ashley made mention in his letter to Gov. Graham last week: "And Lee Emery of the ammunition train was the chap who, during Seicheprey, when his truck had been well-nigh pounded to pieces and his engine was entirely wrecked, managed somehow to stay with it and to coast into the nearest town. He escaped death by a miracle."

An army recruiting delegation, composed of Corporal Thomas L. McNiff of the army recruiting station here, Lieut. James Woods, Bugler Olin Russell, and Elmer Pierce of company L, home guards, and Harry Daniels, in the company, automobile, driven by Elmer Kaiser, on Sunday, probably secured several recruits to the army. They went to East and North Montpelier, Plainfield, Marshfield, Danville, and back by the way of Wells River, Groton and Orange heights. They talked with the postmasters in nearly every town, as well as several prospects, some of whom indicated that they will enlist soon. In Danville they met a little opposition, in the form of a man who treated them as though he was not in sympathy with the recruiting, but they did not consider it worth spending any time ascertaining the man's name.

Frank Guy Holden, who gave his home as Montpelier, accompanied by a young woman from the same city, appeared at the city clerk's office the latter part of the week, asking for a marriage license. They wanted to take it with them, but City Clerk T. R. Merrill would not permit this. When they stated their wish for a license, Mr. Merrill started to make out the license, but it developed that they had come directly from Boston. He advised them they would have to wait five days to get married in this state. Inquiry showed that the man had been divorced about three months, which was

another hindrance, according to Vermont laws. The woman's name was not learned. She seemed quite a little younger than the man.

The breaking of an electric light wire on Main street in Montpelier about 7 o'clock Saturday evening left the city in darkness until repairs were made, which took place about 8:30 o'clock.

Several of the boys from the signal corps and mechanical school at Burlington were home over Sunday. Both contingents expect to leave Burlington about the middle of the month for another training station. Some will probably go to Camp Devens, while others will go to other camps.

Mr. and Mrs. Nye Whitcomb, who have been visiting with relatives in the city, have gone to their home in Enosburg.

Myers Tuttle was home Sunday from an aviation camp in New Jersey. He was brought East for patrol duty on the Atlantic coast. Raymond Tuttle, his brother, accompanies him back to-night. He goes to Annapolis, Md., for naval training.

The last report that Mr. and Mrs. Fred Parrott received from Raa, their son, was that he was recovering from an operation in a hospital in France, where he has been for about four months. The nature of the operation has not been made known, but that it is more serious than Sergeant-Major Parrott writes is apparent to his family.

S. Vignam, a Polisher, was brought into Montpelier city court Saturday afternoon by Deputy Sheriff Fred Eaton, on the charge of breach of peace. He was not asked to plead in the matter, and the case was continued until next Friday for hearing. It is alleged that the respondent struck one Johnson of Burlington Friday evening as a result of some words they had over property and the place which Johnson formerly owned in Middlesex.

B. M. Hayward of Montpelier has appointed the following committees, who will make reports relative to their different subjects at the next annual meeting of the Vermont Society of Engineers: Public policy—Edward Robinson, R. A RUMANIAN LEGION.

To Be Recruited in United States to Fight Germany.

Youngstown, O., July 8.—A Rumanian legion of 20,000 men to be recruited in the United States and the allied nations for service against Germany, will be formed immediately, under plans made public here to-day by the National Rumanian league. Activities for the formation of the legion will center in Cleveland, O., where the national league decided to locate a permanent home. The league yesterday adopted a resolution favoring freedom for Transylvanian Rumania, now under the domination of Austria-Hungary.

Professor Vasile Stocia of Washington, D. C., was elected president of the organization and Romal Doctur, Farrell, Pa., treasurer.

ADDITIONAL STARS.

Were Added to Service Flag at Presbyterian Church.

National stars in honor of the young men of the parish who are with the colors were dedicated on the service flag at the First Presbyterian church last evening. The services were of a patriotic nature, and the zeal naturally aroused by the flag acquisitions was heightened by the stirring words of the pastor, Rev. Edgar Crossland, who spoke from the text, "Thy sword shall be bathed in Heaven." The preacher compared the present war with other great struggles in history, and then told his hearers something about the progress made by the United States. At the present time 10,000 rifles are being turned out each day, and before September America will be contributing ammunition equal to the aggregate of England, France and Italy. During the service William A. Steward sang, "Keep the Home Fires Burning."

The following men are represented by the new stars: Herbert Gladstone Wood, U. S. A.; William McKenzie Walker, British forces; Edward G. Walker, U. S. navy; James Mackintosh, U. S. A.; William M. Leel, U. S. A.; Walter K. Cowie, U. S. A.; James B. Stewart, U. S. A.; Alexander Geals, U. S. A.; John Edward Geals, U. S. navy; George B. Milne, U. S. aviation; Peter Robert Morgan, mechanical corps; Charles Gray, U. S. navy; William A. Milne, U. S. A.; John Robertson, U. S. A.; John Clarke Robertson, mechanical corps; William Gibson, U. S. navy; James Gibson, U. S. army; George Mitchell, U. S. A.; William H. Johnson, U. S. A.

EPIDEMIC OF GRIP.

Is Spreading Through Switzerland—Several Deaths Have Occurred.

Berne, July 8.—An epidemic of Spanish grip has invaded Switzerland and is spreading rapidly, attacking particularly persons under forty years old. Several deaths have occurred among interned British prisoners and a military doctor at Soleuz has died from the grip.

TWO COLORED SOLDIERS CITED.

For Putting to Flight Party of 40 German Soldiers.

With the American Army in France, Sunday, July 7.—(By Associated Press.) Henry Johnson and Robert Robinson, colored soldiers from New York, have been cited by the French commander for bravery in putting to flight in No Man's Land a party of about 40 Germans.

AMERICAN WOUNDED.

JAPANESE PLAN

TO DOUBLE ARMY

Measures for National Defense Have Been Decided Upon and Plan of Co-operation Between Army and Navy Agreed On.

London, July 8.—Measures for perfecting the national defense of Japan were decided upon and a plan for co-operation between the army and the navy was adopted by the council of field marshals and admirals held in Japan, says a dispatch to the Times from Tokyo.

The army, it is stated, will comprise 21 corps, with two divisions to the corps and three regiments to the division. The changes will not immediately be effective.

The Times computes that the measure will double the strength of the Japanese army.

TO SELL ALIEN PROPERTY.

United States Government Will Make First Sale Aug. 15.

Washington, D. C., July 8.—Alien-owned property valued at millions of dollars soon is to be put on the market at a series of public sales now being arranged by officials in the offices of the alien property custodian. The first sale will be that
